**Council Chat** by Joann Nixon, Executive Council Leader  
December, 2017

The Coalition Brunch on December 9th at the Peach Tree was a great success with over 40 of our AAUW branch members attending. In total there were nearly 100 women at the event where we joined with other

organizations to celebrate the holidays and share information about our service projects. Here are some pictures that I took that day. See you next year! *Joann*

The Yuba College Choral group sang for us, led by Tracie Barbieri with Dr. Mathews on guitar. Outstanding! Their enthusiasm was contagious. AAUW wishes Yuba College a Happy 90<sup>th</sup> Birthday!

Here are seven women from five organizations who worked together to plan the annual Holiday Brunch. Three of our AAUW members, Jeanine Rounds, Artis Buerki, and Barbara McCarty, represent our branch on the Women's Coalition Holiday Brunch planning committee. Shown (L-R) are Anne Fletcher-Bridges to Housing; Janie Hood-Marysville Art Club; Jeanine, Artis, Barbara-AAUW; Sue Wilson and Nancy Summy-Delta Kappa Gamma. Not shown: Charline Gonder-Marysville Art Club & Pam Clifton-Soroptimist Marysville-Yuba City.

(L) Jan Wallace brought the women and girls from her family to the Holiday Brunch this year.

(R) The Brunch is a good place to meet friends and family. Long-time friends, Mary Lou Naughton and Pat Fournier, are shown here. Pat is one of our branch's 50-year members.

Melissa Ha joined our branch at the Coalition Holiday Brunch. Melissa is an Associate Professor at Yuba College, Department of Biology and Ecology.

**Thank you to all of the members who so generously contributed goodies for the Opportunity Drawing at the Coalition Brunch.** We had some wonderful baskets which were really popular with the group. It's nice to see others besides our members contributing to the Tech Trek program. Thanks again for your support and we hope to be able to put together some wonderful baskets next year. If any of you have suggestions, please contact Priscilla Kerr at 530-645-7120. Again, thanks for all the wonderful contributions. *Priscilla*

### EXECUTIVE COUNCIL

#### REPORT – December 14, 2017

by Jeanine Rounds, EC Secretary

**AAUW Executive Council Meeting  
December 14, 2017 - 1:30 a.m. at Sandy Davini's**

Those in attendance were the following; Carol Clark-Projects Leader and Interim Executive Leader; Sandy Davini,-Treasurer; Lee Jones- Membership; Barbara Solheim-Program; Janet Theiss-Communications; Karen Tuttle- Bylaws and Historian; Jeanine Rounds-Secretary; Artis Buerki and Christina Billeci.

**Call to Order, 1:35 pm; Minutes** of November 9, 2017, were approved as presented.

Council Leader Report: Carol Clark was serving as Interim Executive Leader in Joann Nixon's absence.

There was considerable discussion over the earlier failure of the state's AAUW branches to vote for our IRS status. There were 3,160 votes cast and all but 26 were "yes," but those 26 "no" votes deny AAUW California the legally required change from being a mutual benefit organization to being a public benefit organization to match the classification that AAUW National already has. The new vote will be on January 9-11. Artis said she is putting 2 pages of information quoted from the state in the next Feather Vane. Members were encouraged to vote yes when contacted, or—if questions—choose not to vote, as a single "No" will destroy the activity. Janet will also send out an email blast updating our members.

Committee Members voted against scheduling an Executive Committee in January because of all the other activities, especially the STEM conference. If an emergency occurs, a meeting could be called.

There was considerable interest and discussion about helping facilitate a Yuba College student AAUW organization. One of our members has shown interest in this. Artis provided information and will investigate further. If Yuba College becomes an AAUW member, undergraduates can join AAUW at no cost. It would cost the college \$125 the first year to join AAUW. There are 78 colleges who are members of AAUW in California. It was unanimously voted for our branch to support such an activity and pay the initial fee when and if such an activity is developed. Artis was requested to check with the state organization to see what kind of support they give such an activity.

Correspondence and Treasurer's Report: Sandy Davini. Sandy passed out some miscellaneous correspondence and then reviewed the monthly Treasurer's Report. She indicated we have received checks for \$500 from Soroptimists and \$900 from Sutter County Schools. She also indicated that, because of state law, we will owe an additional \$150 for our insurance for the STEM conference, since there are over 500 attending. This will be paid by the state and we will reimburse them.

Public Policy: Martha Bunce continues to send out information via email.

Membership: Lee Jones reported four new members: Dr. Bal Dhillon, Marie LaVoie, Evie Toles, and Melissa Ha. Unfortunately, Evie Toles will be moving on to Oregon shortly. Our membership is about 95.

### Other reports from Executive Council

Historian/Bylaws Update: Karen Tuttle said that our By-Laws were approved at the meeting on 9/11.

Communications: Janet Theiss reported that Joan Young will take over the mailing of those Feather Vanes that do not go by email. Artis Buerki reported that the deadline for the next FV is noon on December 18. She said that our book clubs regularly meet on the 3<sup>rd</sup> Friday, which this January will be the STEM conference, and she is asking if they plan to reschedule their meetings. She

reported that the photos Joann took of the Coalition Brunch are very good and will be on our website and our next Feather Vane.

Programs: Barbara Solheim said that the February meeting will be held at the Fremont/Rideout conference room and will be "Beware of Scammers," with Katy Godson, a member of the Yuba City Police Department. It will be catered by Antonio.

Projects: Carol Clark and members reviewed the various activities.

**STEM:** The committee had met earlier today, and things are going well. Martha Bunce has identified 22 excellent speakers. Jeanine has arranged for facilities at the college. Barbara Solheim and Carol Clark will manage the Hospitality Room on campus. Lee Jones has identified the facilitators, and Janet Theiss will send out a reminder memo. June McJunkin had reported that the schools had been prompt this year, and 723 students have registered, with 52 faculty. She has arranged for Packet Day to be held again at the Sutter County Schools facility, on **January 11**. Jeanine is working with the college to get all the arrangements completed.

**Garden Tour:** Brief meeting was held recently. Martha has located several gardens, but we need at least 2 more private gardens. The garden tour and reception will be held at the Agriculture program at Marysville High School under the direction of Bonnie Magill, the instructor, and the garden will include a wide variety of high school ag programs. Janet Theiss and Judy Hale will be the hostesses.

**Tech Trek:** Carol said the Tech Trek manuals are out. She and Donna Long and Karen Chiechi will be going to the Branch meeting in Fair Oaks.

**Scholarships:** Jeanine said she had just been informed that there will be no Yuba City Women's Club funds this year, so we will be giving just three \$500 scholarships.

**Other Business: Interbranch:** Our branch is responsible for the program. Jeanine has arranged for John Nicoletti to represent John Garamendi at the conference. Joann is working to get someone from Gallagher's office, but no information at yet. Time is passing quickly, however, as the meeting, which will be in Paradise, is on February 3.

**Opportunity Drawings:** Sandy said we will have only 3 this year and perhaps do only 2 after this, one in September and one at Coalition Brunch.

Meeting adjourned at 2:55.

Respectively submitted, Jeanine Rounds, Secretary

Note: This report will be approved at next EC meeting. For final approved minutes please contact EC Secretary following the next EC meeting.

## **IMPORTANT MESSAGE FROM AAUW CALIFORNIA - Articles of Incorporation Re-vote**

The **September 2017 member vote** to return to AAUW California to a public benefit corporation **failed because of 26 “No” votes**. Although 99% of votes were “Yes,” it was not enough. Our state’s corporate regulations require a unanimous “Yes” vote to change the status of a corporation.

AAUW California is calling for a re-vote in hopes of avoiding costly and time-consuming legal options.

### **Please vote “Yes.”**

If you would like more information, please contact Sue Cochran at [governance@aauw-ca.org](mailto:governance@aauw-ca.org). **If you do not understand the issue, please do not vote “no” because it has serious and costly consequences.** Detailed information about the issue is available at [www.aauw-ca.org](http://www.aauw-ca.org)

Please vote “Yes” <input checked="" type="checkbox"/> 100% “Yes” votes		AAUW California will return to a public benefit organization (as it was pre 2008). AAUW California will be aligned with AAUW National benefit designation. AAUW can continue to participate in all AAUW programs such as Tech Trek.
Please DON’T vote “No” Just one “No” vote		AAUW California will need to enter a costly process to petition the state for a change of status. AAUW will lose affiliate status with AAUW National. AAUW California will not be able to participate in AAUW Programs such as Tech Trek.

### **Frequently Asked Questions – About the Mutual Benefit V. Public Benefit Status Re-Vote (January 9-11, 2018)** [Download a copy of the FAQs.](#)

#### **1. Why is AAUW California calling for a re-vote?**

The results of the every member vote to return AAUW CA to a public benefit corporation from its current status as a mutual benefit corporation failed. The results are as follows:

- Total AAUW CA Membership: 11907
- Total votes cast: 3160
- Total yes votes: 3134
- Total no votes: 26

California corporate regulations require that all votes cast for a mutual benefit corporation to change its status to an entity such as a public benefit corporation must be unanimous. Due to the 26 “no votes” the measure failed. AAUW CA’s legal counsel has advised us that we can call for a re-vote in hopes of avoiding the more costly and time consuming legal options.

**The re-vote is scheduled to take place January 9-11, 2018.** Members with e-mail addresses on file will cast their vote electronically. Those members without an e-mail address on file will receive instructions via a postcard to call the AAUW CA office to cast their vote.

## **IMPORTANT MESSAGE FROM AAUW CALIFORNIA - Articles of Incorporation Revote (continued from page 6)**

**2. How did AAUW CA become a Mutual Benefit organization when it has historically been a Public Benefit organization?** When AAUW CA undertook its reorganization in 2008 a critical error was made that affects the corporate standing of AAUW CA under California nonprofit law, our standing with the IRS, as well as our affiliation with National. There are several categories of nonprofit organizations under California law, and in 2008, AAUW CA changed its category from a “public benefit” to a “mutual benefit” organization, which is inconsistent with National’s public benefit status. As a practical matter, the category change did not have any impact on AAUW CA’s missions, goals, operations or its members. Similarly, changing back to a public benefit organization will also not have any noticeable impact.

Nevertheless, National has informed us that AAUW CA must change back to its prior classification as a public benefit organization or lose its national affiliation (see question 4 for further impact details). . Unfortunately, the process to change AAUW CA back to its prior classification is somewhat complicated and we have spent a great deal of time negotiating with the state of CA and conferring with an attorney trying to resolve the issue as efficiently and expeditiously as possible. Without this change we risk losing our National affiliation as well as jeopardizing our tax exempt status.

**3. What is the difference between a Mutual Benefit and a Public Benefit Organization?** “Mutual Benefit” and “Public Benefit” are classifications of nonprofit corporations under California law. The key distinction between them is that for a Public Benefit corporation, all assets must be irrevocably dedicated to a charitable purpose and as such, there are no distributions to members of the organization on dissolution or otherwise. In contrast, members of a Mutual Benefit corporation can receive distributions from the organization and receive the assets of the organization if it is dissolved, similar to shareholders of a for profit corporation. Based on these characteristics, Public Benefits corporations generally qualify for federal tax exemption under 501(c)(3) and sometimes 501(c)(4), while Mutual Benefit Corporations typically qualify under 501(c)(4) or 501(c)(6).

**4. What is the long-term impact on AAUW CA if we fail to become a Public Benefit organization?** As an affiliate of AAUW, AAUW CA must be a public benefit entity which aligns with the status of AAUW. To fail to obtain this status would make AAUW CA out of compliance with our Affiliates Agreement and would potentially lead to our loss of affiliation with AAUW. Loss of affiliation would mean we are no longer a recognized AAUW entity and as such would no longer be eligible to participate in any/all AAUW programs, such as Tech Trek.

**5. What is the next step if the members do not vote to change AAUW CA back to a Public Benefit organization?** If the re-vote fails AAUW CA will then enter into a formal appeal process with the Commissioner of the Securities Division of the Corporations Division of the California Secretary of State’s Office to petition for a change. If that appeal fails or is rejected the only option open to AAUW CA is to dissolve the current corporation and reform a new corporation as a public benefit corporation. As an affiliate of National AAUW CA must be aligned with AAUW as a public benefit corporation and cannot remain as a mutual benefit corporation.

**6. What is/has been the cost impact of this issue?** Since the Fall of 2016 AAUW CA has invested over \$10,000 and over 250 volunteer hours working to resolve this issue, which includes an initial appeal to the California Secretary of State for a reversal to a public benefit corporation. The first appeal was a very different process than what will need to be followed if the second vote fails.

If the second vote fails both of the final two options are much more costly and time consuming and will have a far more significant financial impact on AAUW California. Thus, the call for a second vote in hopes that the organization will move forward without the far more significant legal costs associated with the option of a complex legal appeal process or corporate reorganization.

**Who do I contact if I have further questions or need further clarification?** Please address all questions in writing to: [governance@aauw-ca.org](mailto:governance@aauw-ca.org). If you do not have internet access mail your questions to: AAUW CA, Attention: Sue Cochran, Governance Chair, 1331 Garden Highway, Suite #100, Sacramento, CA 95833.

This week marked an important anniversary in women's history. On December 13, 1923, the [Equal Rights Amendment \(ERA\)](#) was [introduced](#) for the first time in the U.S. House of Representatives. The bill was reintroduced every Congress until its passage in 1972. The proposed constitutional amendment [required](#) three-fifths of all states to ratify the amendment before fully implementing the ERA. State legislatures were given until 1979 to ratify the amendment, and Congress later extended the ratification deadline to 1982. By the time the final deadline passed in 1982, 35 states had approved the ERA—three states [short of ratification](#).

It's been 94 years since the ERA was first introduced in the House, and women still don't have equal rights under the constitution. But there's good news—in March, Nevada became the first state in 40 years to [ratify](#) the ERA, renewing interest in the issue.

The ERA would clarify, once and for all, that sex discrimination is a violation of our constitutional rights as Americans. [Take action to support the ERA today!](#)
