

# Feather Vane, MARCH 2023

AAUW National Mission: To advance gender equity for women and girls through research, education, and advocacy. Our Branch Mission: To advance equity for women and girls through education and networking within our diverse community.

Executive Council meets **March 9, Thursday, 1 p.m.** Contact is Martha Bunce, 530-713-0663. Tell Martha or any EC member if you want to attend Executive Council meetings and be appointed as an EC Member-at-Large for a year.

**Program Notes** - There will be **no Branch Meeting in March** due to how busy we will all be with the STEM Conference. Our April branch meeting has moved to **April 22nd** so as not to conflict with spring break, when our presenter will be the Sutter Yuba Homeless Consortium.

## STEM CONFERENCE - MARCH 27

by Sandy Davini, STEM Chair

On Monday, March 27, 2023, 777 8th grade girls from 25 Yuba-Sutter schools will descend upon Yuba College in Marysville to learn more about the opportunities in the STEM professions (Science, Technology, Engineering and Math). The Marysville Yuba City branch of AAUW started offering the conference in 1985. The committee has been working diligently with the local middle schools to get students enrolled and securing presenters and facilitators. Currently there are 20 presenters from a variety of STEM fields who will discuss aspects of their careers with the girls. The keynote speaker for the morning will be Dr. Tawny Dotson who is President of Yuba College. Dr. Dotson is a dynamic leader in her third year at Yuba College. At the conclusion of the half day conference, students have the option of taking a tour of the Yuba College campus. Many schools take advantage of this opportunity where their students can hear directly from current Yuba College students about the college experience.

## Council Chat

by Martha Bunce, Executive Council Leader

Thanks to our Feb. 18 speaker Robert Summa, Editor of the Appeal Democrat. We learned a lot about the production of newspapers. His vast experience in different levels of the newspaper industry in other parts of the country and hearing how he came to Marysville was an

interesting story, and his presentation resulted in thoughtful questions from the large audience that came to this branch meeting.

We will not have a March branch meeting due to the STEM Conference on **March 27** when most of us will be busy helping that day. Mark your calendar for the next branch meeting on **April 22** when we will have election of officers and a speaker from the Homeless Consortium at our Annual Meeting. Same time/same place.

## Now let's all sell Garden Tour tickets!

Here's our chance to make sure there is enough money to do the good work we do! The Garden

Tour is our ONLY public fund raiser (yay!), and local stores are selling tickets for us. Let's help them out.

In March each of us will receive TWO tickets (\$25/each) in the mail. PLEASE, PLEASE, PLEASE sell or purchase them and send a \$50

MARYSVILLE-YUBA CITY, CALIFORNIA, AAUW BRANCH check in the addressed envelope provided. Or bring it to the **April 22** Branch meeting. I don't know about you, but I've had people ASK to buy tickets. You will find willing buyers. Oh, and you DID promise Garden Tour tickets as Christmas presents, didn't you? Now is the time to send those presents to the lucky recipients!

*Martha Bunce, Garden Tour Chair*

### TEA BAG FUNDRAISER

In February, each of our branch members received a tea bag in the mail, and a letter explaining our annual Education and Training Tea Bag Fundraiser. Your donations support opportunities for women.

Please participate in this event by writing a check for \$15 or more to: AAUW and write ET-#4450 in the For/Memo line. By **March 31**, please mail your check to AAUW, PO Box 3031, Yuba City, CA 95992. Total donations of \$750 or more will allow us to designate a branch member for the AAUW National Award for outstanding service: the Education and Training Opportunities Named Gift Honoree Award. If you have any questions contact Sandy Davini, Treasurer.

## Did you know?

Happy Birthday to all our members who have **March birthdays** including Donna Burrows, Jennifer Jones, Karen Kam, Debbie Naylor, Beverly Paget, Kathy Bertelsen and Karen Villalobos.

And did you know that the Birthday Flower for March is the daffodil?

And did you know that if Lee Jones, Linda Zall, or Artis Buerki call you or

email and ask what is your birthday month, that it isn't a scam or a hoax. We're asking because we'd like to recognize you when your special month comes around in this column, in the roster, and with a birthday card sent by Gretchen Cupp, our Sunshine chair, so please reply if you are asked.

### NEW FEATHER VANE LOGO -

**You probably noticed** that the top of this Feather Vane looks a little different today. That's due to the ingenuity of our member, **Cindy Gaven**, who, she said "was tired of looking at the old one" which she had created a couple of years ago. So yesterday Cindy stopped by my house to give me this beautiful rendering of a feather created in the art of Zentangle which creates a feeling of Zen, or relaxation in the process of putting the many colors into the tiny spaces on this intricate design.

The full size of her drawing is twice the size that you see above, but I wanted you to get the impact of this intensely designed and rendered piece of art before I shrink it down to the 1" space available in our actual masthead. Thank you, Cindy for doing this. The last one was beautiful too! I appreciate you. *Artis Buerki, Editor*

## What is the TTAG Program? An Interview with Joann Nixon

by Artis Buerki

TTAG stands for Tech Trek Alumni Group. Our branch's TTAG group started several years ago under the organization and direction of Joann Nixon. On her committee are branch members Kelly Swanson, Jeanne Schultz, Manjit Jhutti, Barbara Douyon, and Karen Kam.

Tech Trek Girls who were chosen from participating schools in both counties and attended the Tech Trek Camps at UC Davis since 2016 have been invited to become a part of our Marysville-Yuba City branch TTAG program. AAUW California started expanding the Tech Trek Program in 2022 to include support for the TTAG program.

Joann Nixon said "I'm proud of the baby steps we have accomplished. This is the first we have heard from the State, and we are already meeting the goals. State is focusing on: **Post-Camp engagement, Activities, Volunteerism, and Building inclusive community among all alumnae and branch members.**"

"Here is what I feel we are doing to meet these goals", Joann said. "**Post-Camp engagement activities:** The TTAG girls go to the yearly pizza party for incoming Tech Trek selectees where the newly selected girls can learn from the experience of the older girls. **Volunteerism:** They participate as Junior Hostesses at the annual AAUW Garden Tour. **Building inclusive community among all alumnae and branch members:** They participate at the September branch meeting, and they attend the December TTAG meeting at my home with several years of TTAG members attending," Joann Nixon said. Here is an interview with one of the TTAG members.

### Chloe Nguyen Bok Kai Hostess 2023, TTAG 2018

by Joann Nixon

February 8, 2023 - Chloe graciously came to my home for an interview about her service as Bok Kai Hostess this year. I asked how the selection occurred, and she said that she

MARYSVILLE-YUBA CITY, CALIFORNIA, AAUW BRANCH was contacted by the Bok Kai Committee and asked if she would be willing to serve as Bok Kai Hostess. She told me that last year she was instrumental in getting the AAPI (Asian American Pacific Islander) Club organized at River Valley High. She serves as Event Coordinator with the club and was able to offer Club volunteer services for the Bok Kai parade last year. The club has 20 to 30 members and has provided other volunteer services in the community.

I asked how the Club earns money for supplies. Chloe said, "The Club has made Boba or Bubble Tea several times for sale at school festivals." It sounds like a very good fund raiser, and we have a "My Boba Spot" in Yuba City so we can enjoy it too.

I also wanted to know what Chloe's current educational plans are. She said she applied to several colleges and is waiting to hear regarding acceptance. Currently she is interested in math subjects and computer science.

We are happy and proud that Chloe has been selected to represent the Chinese Community for the Bok Kai Festival on February 25.

**MEMBERSHIP-** If you have a friend who is interested in AAUW please invite them to a meeting and let Lee Jones know so she can provide membership information. Contact Lee Jones, [lee@harkeyhouse.com](mailto:lee@harkeyhouse.com).

#### **MEET NEW MEMBER – Marcie Watts**

I was recruited by Lee Jones who was my first principal at Johnson Park Elementary School when I began teaching in 1996.

I was born here in Marysville, then my family moved to Eureka, CA when I was 2, where I graduated from high school. I spent every summer here in Marysville with my grandparents. I live on H Street in Marysville in the house my grandparents built in 1927. My parents moved in after my grandparents, and now I live here. I have one daughter who lives in Los Angeles with her husband and my 3 grandchildren.

I attended the University of San Francisco for 2 years, then got married. After divorcing 7 years later, I moved to Honolulu, HI where I lived for 9 years. While there I got my real estate Brokers License, sold real estate and also worked as a Property Manager for Homeowner Condominium Associations.

I returned from HI in 1984 and went back to the University of San Francisco. I graduated from there in 1987 with a BA in Accounting. After living in the Bay Area until 1992 working as an accountant, I moved back to Marysville to take care of my mother.

I decided to get my teaching credential and went back to school here at Chapman University. In 1996 I began teaching Kindergarten at Johnson Park and was there until I retired in 2012. While working for MJUSD, I served as the Treasurer of MUTA for a time and assisted in moving the MUTA office from Yuba City to its current location in Marysville. In retirement I've worked as a substitute teacher to fund my travels.

My hobbies are international travel, camping, exercising, and reading. I am a member of CTA/NEA Retired and CalRta, and now AAUW. I am not much of a joiner, so don't belong to lots of organizations. I love dogs but won't have any more due to the amount of traveling I do.

#### ALL AROUND TOWN - After enjoying the Mexican food at El Zarape Mexican Restaurant in February, we are going to explore Mediterranean cuisine at Oya Grill,

900 B Street, Marysville. The restaurant has gotten good reviews from some of our members. As we chatted after dinner at El Zarape (and closed the place) we acknowledged it's not just about the food--it's also about the discussions we have over the food and into the evening. Join us on Wednesday, **March 8**, at 5:30 p.m. for an entertaining evening. For more information, contact Linda Zall, 530-713-0552 or [lindazall66@gmail.com](mailto:lindazall66@gmail.com).

#### RABID READERS – Whodunit? The Rabid Readers want to know.

For our March meeting we are reading *Who Killed Jane Stanford: A Gilded Age Tale of Murder, Deceit, Spirits and the Birth of a University* by Richard White. This is the same Jane Stanford who, with her husband, founded Stanford University following the death of their son. She was poisoned one day and, concerned for her life, fled to Hawaii where she was poisoned and died. Will

we be able to solve this longstanding mystery? Join us on **March 17**, 10:00 a.m., at the Sutter County Library.

**80 For Brady - Movie Review** by Artis Buerki

Six of us hearty movie goers went out together on February 7 on a sunny afternoon between rainstorms to get some much-needed laughs provided by four women of our own generation. Lily Tomlin, Jane Fonda, Sally Fields, and Rita Moreno did not disappoint. This football named movie was not really about football, but about the crushes that so many Americans have on our pro-football stars and how women relate to each other.

It is loosely based on a true story of 5 life-long women friends in the Boston area who made it a habit of getting together for the Super Bowl. For years the club consisted of Betty Pensavalle, Elaine St. Martin, Anita Riccio, Pat Marx, and Claire Boardman. The grandson of Betty Pensavalle (played by Sally Fields in the movie) originally pitched the idea for the movie. Though the original group of friends who are now in their 90s and one is now deceased, never got to a Super Bowl game, their enthusiasm for the sport and dedication to the team convinced Tom Brady to

produce this film based on the 2017 game that was pulled out in the last quarter by the Patriots for a surprise win over the Atlanta Falcons. This was the first production for Brady's new company called 199 Productions.

The movie is mostly about the camaraderie of women having fun! That's what I hope our movie group is bringing to our women who turned out for this movie. After all, isn't laughing good for the soul? As Victor Borge said, "Laughing is the shortest distance between two people." And George Bernard Shaw said "You don't stop laughing when you grow old. You grow old when you stop laughing."

***Executive Council Report***

*by Secretary Ellen O'Neil*

The Executive Council met on February 9, 2023, at 1 pm at the Sutter Office of Education Annex. In Attendance were Carol Anderson-Clark, Liz Shelly, Martha Bunce,,Gwyn Baker, Ellen O'Neil, Sandy Davini, Kathy Neal, Christy Estabrook, Lee Jones, and Artis Buerki.

The meeting was called to order at 1:00. Minutes from the January meeting were approved with no changes.

Tech Trek: Carol has been the lead for 7 years. She would like to resign from the position but is happy to be of help to whomever takes over. Martha said that the job description is so complex that it should be divided amongst at least 4 people. She also requested that those who have worked on it schedule a meeting to determine how duties can be divided in a logical grouping of tasks. Her suggestions were:

1. Contact with state coordinators/technology lead
2. Lead school contact
3. Outreach and hostess for the girls
4. Collecting essays and conducting interviews

These are just suggestions; the committee will determine labor divisions. Suggested members for this

MARYSVILLE-YUBA CITY, CALIFORNIA, AAUW BRANCH committee: Carol, Donna Lo Joann Nixon, Ellen O'Neil, Kelly Swanson, Linda Zall. Carol will put a meeting together, hopefully on February 20th.

This year's camp is July 9 to 15. We can send five girls and the cost is \$1000.00 per girl.

Job Descriptions: No report

Correspondence: Arts Council postcard.

Treasurer's Report: Sandy pointed out that there is \$350.00 allocated for "Women's Support Group" but no group has yet been chosen. Other groups came under discussion as well as the idea to move the money to the MVYC Scholarship Fund. This will be taken up on the next agenda.

Public Policy: No report

Membership: Lee reported that there are two new members: Marci Watts and Diane Funston. The "Shape the Future" campaign in which dues are reduced to \$66.50 ends this month.

Lee passed out a New Member questionnaire for discussion. Linda re-did the old form to ready it for Google Drive. Birth month has been added. Also distributed was the "Welcome to Our Branch" handout. There was much discussion on each form as to what were appropriate and necessary questions. Artis always requests that new members submit a brief essay about themselves for the *Feather Vane*. The form can help them formulate the article or, if they choose not to write one, allows Artis to have the necessary information to compose one. Also, the Executive Council can reach out and support new members through the information on the forms.

Currently there are 82 members. Linda continues to update information and suggested that the name of the "Roster" be changed to "Member Directory."

Communication: The Feather Vane deadline is February 21st. The website is ready for Garden Tour ticket sales. Artis is posting Garden Tour sponsors on Facebook. Gwyn suggested she share the Soroptomist event on March 3rd on Facebook. A

*Feather Vane, MAR. 2023*

survivor and advocate will be speaking on sex trafficking.

Programs: Gwyn stated that there are currently 26 people registered for the Branch meeting on the 18th. The editor of the Appeal-Democrat will be speaking. April 22nd, a representative from the Homeless Consortium will be the speaker and in June, Tri-County Diversity will be represented.

Projects:

STEM: Currently 777 girls are registered from 25 schools and 60 adults are attending. There are 19 presenters confirmed, committee would like to arrange for 2 more. "Packet Day" is at 9:00a.m. on March 21st in the conference room at the Superintendent of Schools Office and volunteers are needed. Monday, March 27 is the STEM conference at Yuba College.

Garden Tour: The reception site is 2121 Ranch, an event venue, therefore catering and Porta-Potties are necessary. Martha is seeking a donation for the latter. The committee is researching food trucks for the catering. The reception will open earlier than usual, at 11:00a.m.

TTAG: No report

Interbranch Coalition Brunch: Liz reported that there were at least 30 people in attendance in Redding. The venue was beautiful and the speaker, discussing the tragedy of murdered and missing Indigenous Women, was powerful.

Historian: Karen Tuttle has resigned. Artis mentioned that she met someone who is writing a book about women's organizations in this area so the position is important. She hopes to have someone to take on the position.

Sunshine: Gretchen will be asked to send a note to a member who had a recent fracture of her femur. The meeting was adjourned at 3:00 p.m.

*Editor's Note: Please contact Executive Council Secretary for the final approved minutes after the next Executive Council meeting.*

**Ratify the Equal Rights Amendment** -- It's hard to believe the Equal Rights Amendment (ERA) was first introduced into Congress 100 years ago, with the goal of guaranteeing equal legal rights for men and women under the U.S. Constitution. By 1977, the ERA was ratified by 35 of the necessary 38 states. However,

because Congress imposed an arbitrary deadline to complete ratification by 1982, the ERA could not become law when the final three states ratified years later (Nevada in 2017, Illinois in 2018, and finally Virginia in 2020).

**With your help, we can change that. On January 24, Sen. Cardin filed S.J. Res. 4 to remove the ratification deadline.** The Senate used a procedural move called Rule XIV to allow the bill to be added to the Senate calendar and brought for a vote, bypassing the Committee process. **Soon after, on January 31, Rep. Pressley introduced a similar bill in the House (H.J. Res. 25).**

**If passed, these measures would allow Nevada, Illinois and Virginia to count toward ratification, and the ERA would finally become the 28th Amendment to the U.S. Constitution. Women cannot wait for equality any longer. Urge Congress to support S.J. Res. 4/H.J. Res. 25.**
